NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The Editor of the NAVY LIST,
Admiralty, London, S.W.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

Officers on the Retired List who have commuted their Retired Pay must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers of late Royal Naval Artillery Volunteers must send annually to the Secretary of the Admiralty, between 1st January and 31st March, a notification of their being alive, otherwise their names will be removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By command of their Lordships,

EVAN MACGREGOR.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 1919A to 1921A of the King's Regulations and Admiralty Instructions of 1906 (Addenda, Part II.).

ENGINEER LIEUTENANTS.

NOTE.—As the seniority of certain Engineer Lieutenants of over 8 years' standing as fixed on the 1st April, 1903, in some cases appears to give them a position inferior to that which their seniority as Chief Engineer entitled them, it is to be noted that the relative rank of all such Officers is governed by the date of their advancement to the Chief Engineers' List.

LIST OF OFFICERS ON THE ACTIVE LIST OF THE ROYAL NAVAL RESERVE ACCORDING TO SENIORITY.

NOTE.—Officers of the Military Branch marked * have completed 12 months' training in the Royal Navy, and are entitled to the Annual Training Fee of £25 a year in the cases of Commanders and Lieutenants, £20 a year in the case of Sub-Lieutenants, and £10 a year in the cases of Acting Sub-Lieutenants and of Midshipmen. Such Officers will be marked with an additional asterisk (*) in respect of each further period of 12 months' service. Officers marked ‡ have served in the Fleet for one or more short cruises only.

Those marked † have completed and obtained a certificate in either a Gunnery or Torpedo Short Course, whilst those marked ‡ have completed and obtained a certificate in both Gunnery and Torpedo Short Courses.

Engineer Officers marked * have completed a three months' course of Instruction at one of the Home Dockyards.

Officers of the Military Branch whose names are printed in italics are liable to removal from the list for non-attendance at drill (Art. 112), or for having left the sea service (Arts. 113 or 114), or for failure to qualify for promotion to Sub-Lieutenant within the required time (Art. 115). Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 117), or for failing to report themselves (Art. 118). Such Officers should therefore forward without delay any explanation they may have to offer for their non-compliance with the Regulations.

The names of Honorary Officers who have not held rank on the Active List are shown after the List of Officers on the Active List. Retired Officers are shown in a separate List at page 723 of Quarterly Navy List.
